

Cat Origami – Easy Paper Cat Folding Tutorial for Kids

Learn how to make a cute origami cat using simple paper folding steps. This easy tutorial is perfect for kids, beginners, and parents looking for a fun creative activity at home or school.

MATERIAL NEEDED

- 1 square sheet of paper
- Colored paper (optional)
- Sketch pen or marker (to draw eyes, nose, and whiskers)

PAPER SIZE

- 15 × 15 cm (6 × 6 inches) square paper
- Any size square paper will work

TIME REQUIRED

- 5–10 minutes

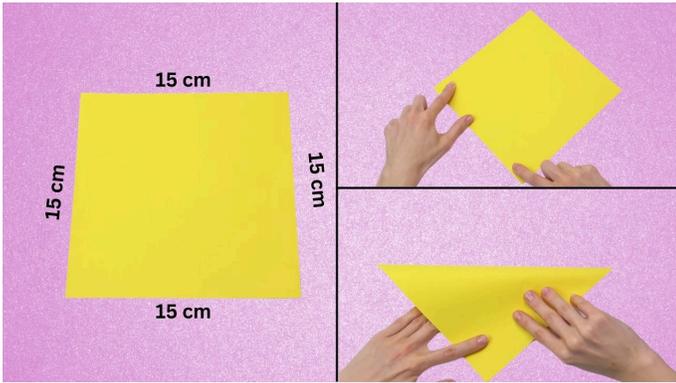

- Easy (Beginner Friendly)
- Suitable for kids aged 5+

DIFFICULTY

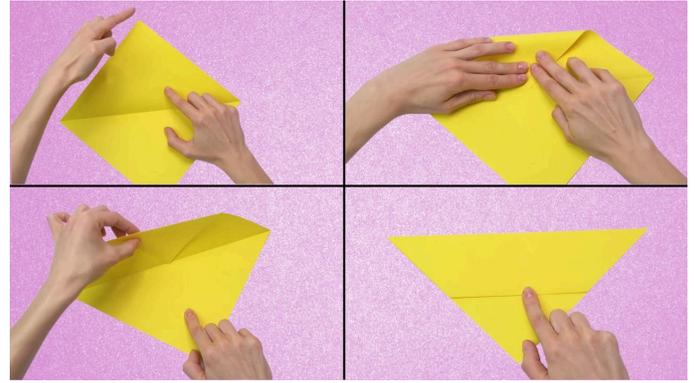

TULSI ORIGAMI

Step 1: Start with a Square

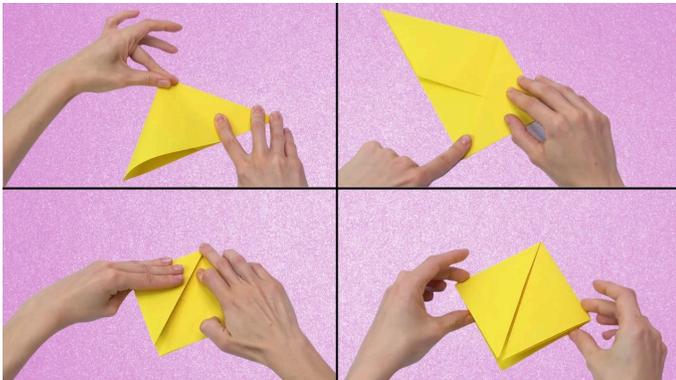

Place the square paper flat on a table with the colored side facing down.

Step 2: Fold into a Triangle

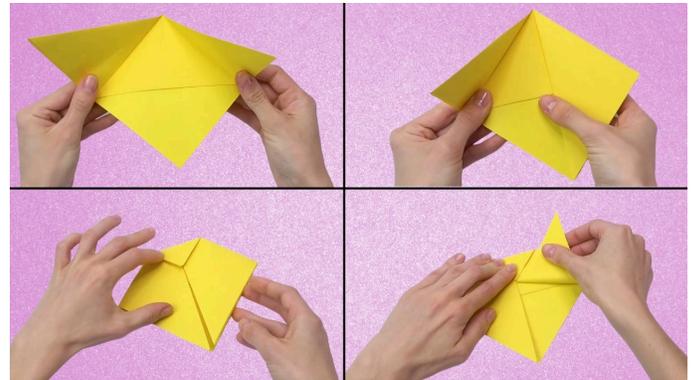

Fold the paper diagonally to form a triangle. Press the fold neatly.

Step 3: Make the Cat Ears

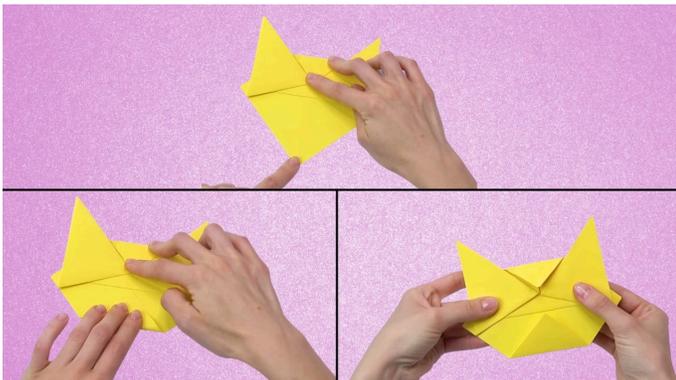

Take the two top corners of the triangle and fold them upward slightly to form ears.

Step 4: Flip the Paper

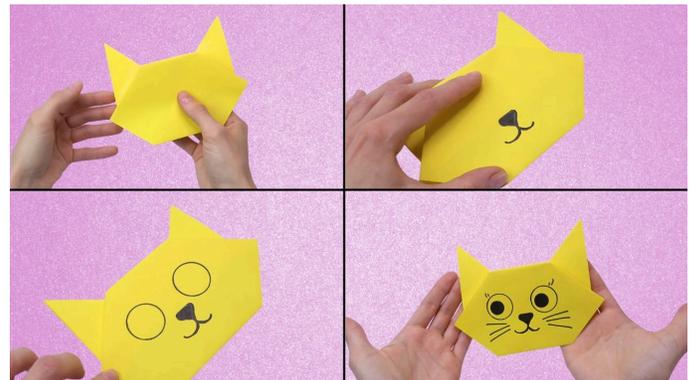

Turn the paper over carefully.

Step 5: Fold the Bottom Edge

Fold the bottom tip upward a little to shape the cat's face.

Step 6: Draw the Face

Use a marker to draw eyes, nose, mouth, and whiskers. Your origami cat is ready!
