

Dog Origami – Easy Step-by-Step for Kids

Dog origami is a fun and easy paper craft that kids love to make. This simple dog origami tutorial is specially designed for beginners and children. With just a few folds, kids can create a cute paper dog while improving creativity, focus, and hand coordination. No scissors or glue are required, making it safe and enjoyable for all ages.

MATERIAL NEEDED

- 1 square paper
- Flat surface for folding
- ✓ No glue
- ✓ No scissors
- ✓ Safe for kids

PAPER SIZE

- Recommended: 15 × 15 cm (6 × 6 inches)
- Regular colored paper or origami paper works best
- Thin paper is easier for kids to fold

TIME REQUIRED

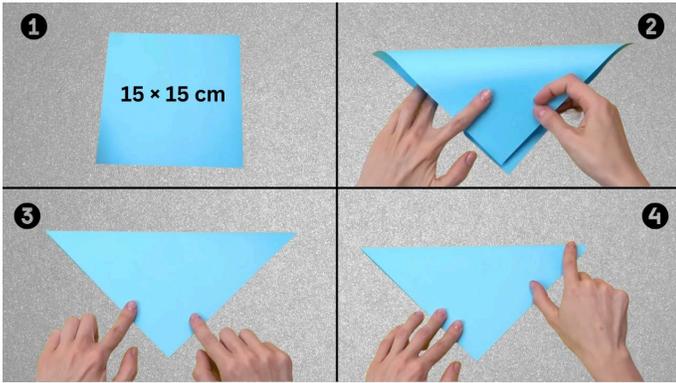

- 5–7 minutes

DIFFICULTY

- Easy (Beginner Friendly)
- Suitable for kids aged 5 years and above

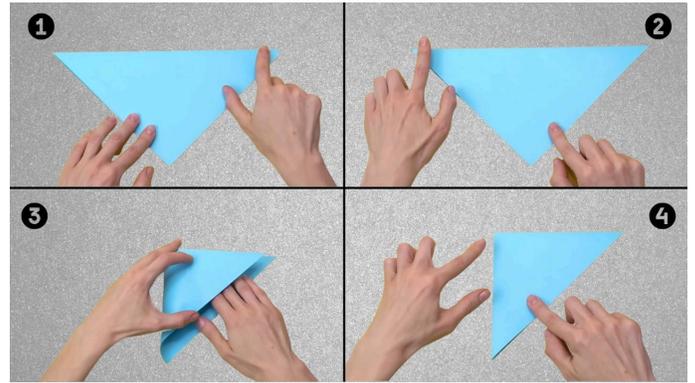

TULSI ORIGAMI

Step 1: Start with a Square Paper

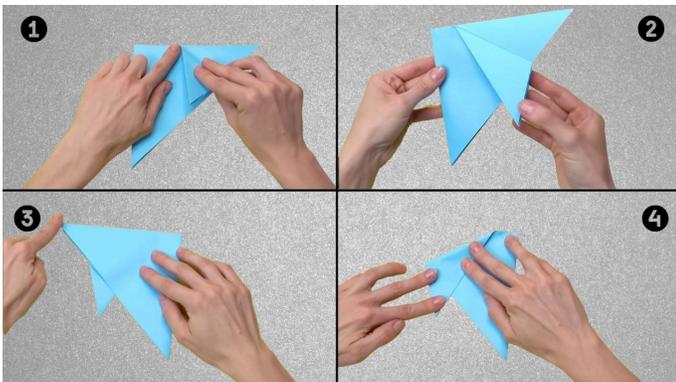

Place the square paper flat on the table with the colored side facing down.

Step 2: Fold into a Triangle

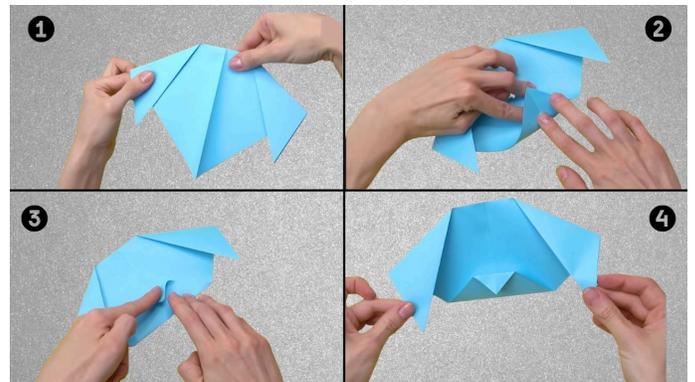

Fold the paper diagonally to form a triangle. Press the fold firmly.

Step 3: Create the Dog Ears

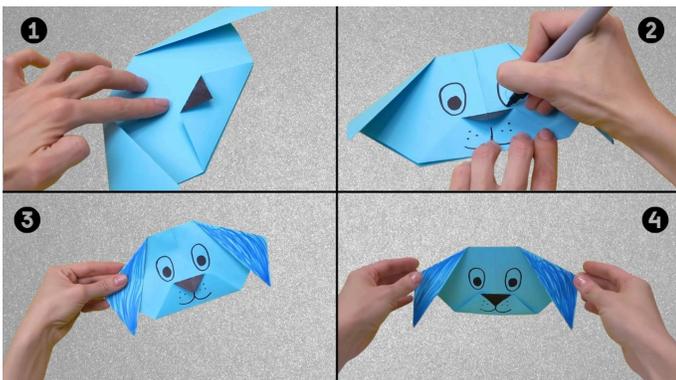

Fold the left and right corners of the triangle downward to form the dog's ears.

Step 4: Fold the Nose

Fold a small part of the bottom corner upward to create the dog's nose.

Step 5: Flip and Decorate

Turn the paper over. Draw eyes, nose, and mouth using a pencil or sketch pen.
