Step 1: Start with the Color Side Down

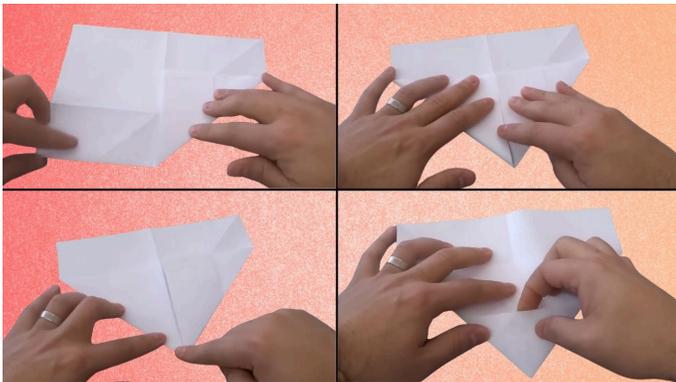

Place your square paper on a flat surface with the colored side facing down and the plain side facing up.

Step 2: Make a Vertical Center Crease

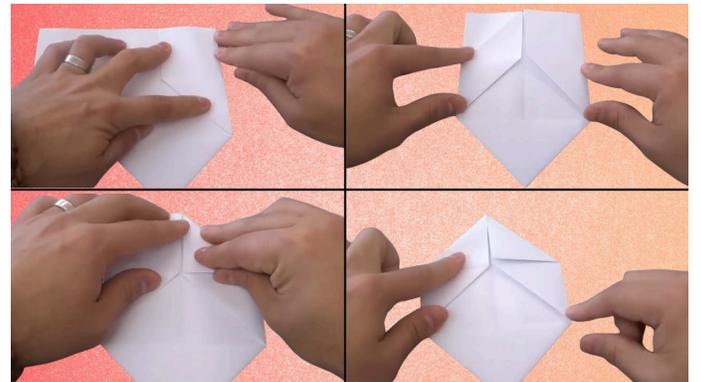

Fold the paper in half vertically from left to right. Press firmly, then unfold to create a clear center crease.

Step 3: Fold the Bottom Edge Upward

Take the bottom edge of the paper and fold it upward until it touches the center crease you just made.

Step 4: Fold the Bottom Corners Inward

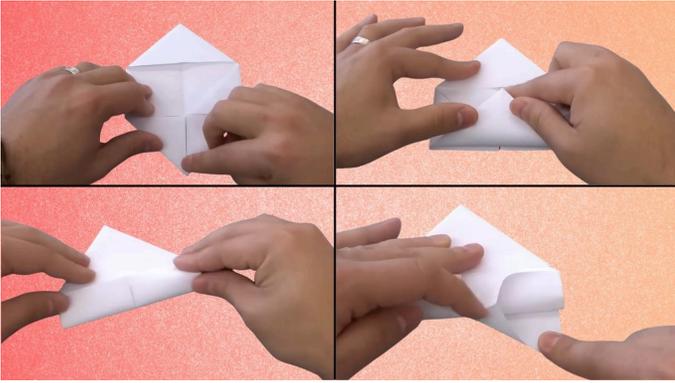

Fold the left and right bottom corners inward, angling them toward the center to form a triangle shape.

Step 5: Shape the Top of the Heart

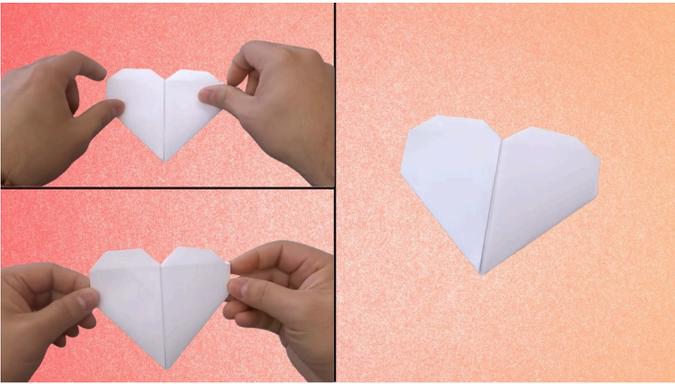

Fold the two top pointed corners downward slightly to begin forming the rounded heart shape.

Step 6: Smooth the Side Edges

Gently fold the side edges backward a little to soften sharp corners and make the heart look smoother.

Step 7: Flip and Finish

Turn the paper over. Your origami heart is complete and ready to use!
